

Snowball Bites

WHAT YOU'LL NEED

- ◆ ½ bag marshmallows (about 4 cups)
- ◆ 4 tbsp. unsalted butter
- ◆ ¼ tsp. salt (optional)
- ◆ 2 Chick-fil-A® Chocolate Chunk Cookies, crumbled
- ◆ 1 cup crushed pretzels
- ◆ 1 cup popped corn cereal
- ◆ Sweetened shredded coconut, for coating

IT'S SNOW TIME

Let's have a ball, shall we? Start with some holiday music to get into the spirit. Next, crumble the cookies and crush up the pretzels, then set aside along with the popped cereal. (Pro Tip: invite your little ones and loved ones to help you. You're creating something wonderful from the crumbs!) Then, in a separate microwave-safe bowl, combine the marshmallows, butter, and salt (if using). Microwave on high for 60 seconds. Stir, then microwave again for 30 more seconds.

After you've finished microwaving, add the cookie crumbles, pretzels, and cereal. Carefully stir to combine. Then scoop into 2" balls, and squeeze in your hands to make a round shape. Roll in sweetened shredded coconut while still warm. Now for a little winter wonderful: Share with friends and family within 24 hours. Enjoy together. And that's the way the cookie crumbles!"
