

Onboarding in the Apex Supplier Portal | Singapore

Use this guide to register in the Apex Supplier Portal

The Apex Supplier Portal is an online tool that is used to maintain company financial profile information and check invoice and payment status. You are invited to the Apex Supplier Portal by Chick-fil-A and will receive an invitation to register via email.

You must complete your registration in the Apex Supplier Portal PRIOR TO submitting any invoices to Chick-fil-A. Chick-fil-A cannot make payment to you unless registration is complete.

The registration email should be directed to whomever has access to the financial information for the business, such as an accountant or controller.

Follow the instructions in the email to begin the registration process.

Dear

You are receiving this message because your company will be or has recently begun doing business with Chick-fil-A. **Prior to submitting invoices and to be paid, you are required to register in our Apex Supplier Portal** and complete your profile.

Please complete your registration within 10 business days.

Please note: Any invoices submitted to our Accounts Payable department or Chick-fil-A Staff **BEFORE** completing this registration have **NOT** been processed and will need to be resubmitted.

TO UPDATE YOUR PROFILE:

☐

1. Visit <https://uat-chick-fil-a.apexportal.net> to log in using the username and password provided in this email. Please do not share these credentials with anyone.
2. When you log in using the credentials provided below you will be emailed a one-time Authentication Code to complete the login and validate your identity.
3. Log in and reset your password. You can then update your profile; it will take you approximately 10-15 minutes to complete.
4. Please use your credentials to manage and update the details in your account on an ongoing basis.

Company Name:

Username:

Password:

You will receive automated reminders via phone and e-mail pending completion of this registration online.

Please be prepared to provide the following:

1. Company contact information – this should be the contact who is able to verify or complete banking and tax information
2. Tax Registration Information (TIN, FED ID, VAT, CIF, NIF as applicable)
3. Banking Information – this is the bank account for electronic payments

If you have any questions or need assistance, please contact us at CFASUPPLIERS@PORTAL.CHICK-FIL-A.COM.

Onboarding in the Apex Supplier Portal | Singapore

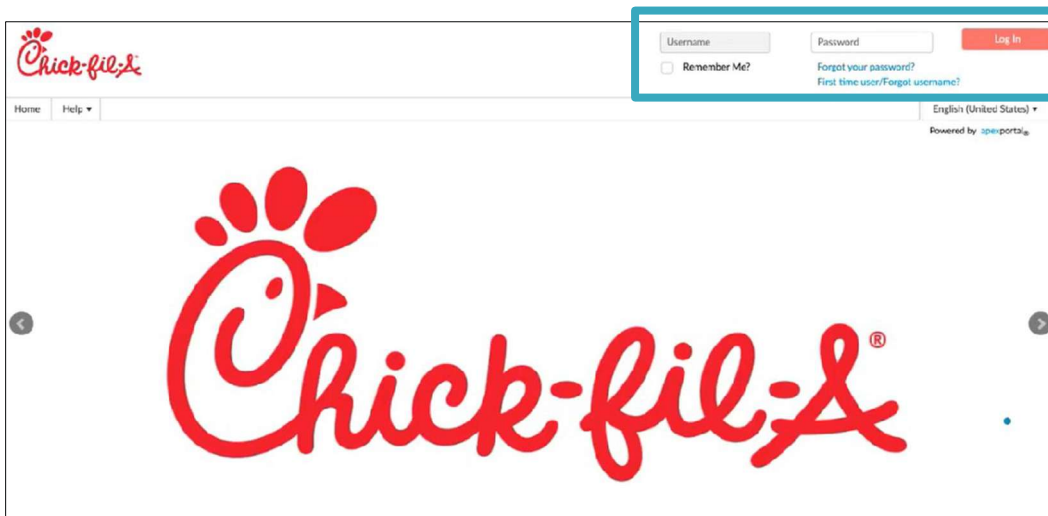

Use this guide to get set up in the Apex Supplier Portal

1

On the home screen you will see a place to type in the username and password in the top right of the screen.

Enter the **username** and **password** provided in the email invitation, then click **Log In**.

2

On the next screen, you will see additional security settings that must be established.

Enter the authentication code that was sent to your email. This establishes two factor authentication on the account.

Choose security questions and type in your answers.

These two steps ensure the account stays secure.

Onboarding in the Apex Supplier Portal | Singapore

Use this guide to get set up in the Apex Supplier Portal

3

Establish your password.

Once Steps 1 and 2 are complete and the submit button is clicked, a new pop-up screen will appear to create a new password.

Passwords in Apex follow **specific requirements**. Please pay close attention to requirements for special characters, password length, etc.

After entering the provided password from the **original** email into the current password field, you will create a new, unique password for the account.

4

On the next screen, select the supplier country of residence and click **Submit**.

On the next page is the Chick-fil-A privacy notice. Read this notice and check the **Agreement** box. Then click **Submit**.

Chick-fil-A

Home Help English (United States)

This Privacy Notice explains how Company and its wholly owned affiliates ("Chick-Fil-A" or we or us) collect, uses, and discloses your personal information when you use the Supplier Portal:

1. Your Personal Information: Any information that we can use to identify you or link to you. We collect your Personal Information when you provide it to us and when you use the Supplier Portal, and this includes, but is not limited to, your name, work address, telephone number, email address, and employer's name.
2. The data controller: Company
3. Contact: email: CFASUPPLIERS@PORTAL.CHICK-FIL-A.COM.
4. Company's Reasons for processing your Personal Information: We process your Personal Information to: (1) identify and authenticate users of the Supplier Portal; (2) exercise our legal rights where it is necessary for us to do so (3) operate and improve the Supplier Portal; (3) communicate with you with respect to the operation of the Supplier Portal; and (4) as set forth in the Company Privacy Policy. Our legal basis for processing your data is legitimate business interests.
5. International transfer of your Personal Information: Your Personal Information shall be processed outside of the EEA by Company or its approved third party Supplier Portals, including Apex Analytix, LLC. Company shall ensure that your Personal Information will, at all times and in all locations, be adequately protected to the standards required by the law.
6. Who will receive your Personal Information: Only staff employed by Company or approved third party Supplier Portals shall be permitted to access your Personal Information.
7. Personal Information retention period: Company shall retain your data only as long as necessary for legal and regulatory purposes. Please contact CFASUPPLIERS@PORTAL.CHICK-FIL-A.COM in the event of requiring further information about personal information retention periods.
8. Your rights: You may have certain data protection rights. You may be able to request Company to (1) provide evidence of processing activities, (2) erase your personal data, and (3) restrict processing of your personal information. You also have the right to complain to your Data Protection Regulator.

Agreement I have read and agree to the terms and conditions.

7

On the General Business Information page, you will see pre-populated information. Confirm the Supplier Country field and verify the Supplier Name field is correct and click **Next**.

The Supplier Name should reflect your legal entity name, or how you are registered with your local tax authorities. If the Supplier Name is not correct, update to the correct name.

The DBA Name field should reflect the name that you will invoice Chick-fil-A as, which can be the same as the Supplier Name.

General Business Information

You must click Next until the 'Review and Submit' section and submit the record for the changes to take effect.

* Supplier Country:

* Supplier Name:

DBA Name:

Aravo ID:

8

For the Business Address section, you must enter at least one physical address and one remit address. The Physical Address should represent your corporate address or physical location. The Remit Address can be the same as the Physical Address, a PO Box, or any other location where you would like to receive payment receipt. Note, a PO Box is not an acceptable Physical Address.

Click the **Edit** button next to each of the items and enter the address information on the pop-up screen.

On the Country Specific Tax Information page, complete all fields with a red asterisk.

When you select the Tax Reporting Country, you will see Singapore specific tax information that is required in the “Add New Tax Information” section. You must complete the information by clicking **Edit**.

If your company is based in Singapore and you are doing business with Chick-fil-A Inc or CFA International Inc, you will need to provide a W-8 for tax review. Additional external tax reviews may be required.

Make sure that the validation column indicates OK before proceeding. If it does not say OK, you may have entered incorrect tax information.

If you are an individual or your company is not GST registered, please reach out to cfasuppliers@portal.chick-fil-a.com to provide supporting details and confirm best next steps to complete the tax information section.

As you scroll down, you may see additional information required. Complete any required information that is indicated with a red asterisk. Then click **Next** to proceed.

To add your banking information, click the **Add Bank Account** button to add your banking details.

When the pop-up opens, complete any required information that is indicated with a red asterisk.

Note, the 'Clearing Code' field (Bank Code) and 'Branch Code' field should populate automatically based on the Bank Swift Code provided. Please review and confirm all relevant banking fields populated correctly. If they did not, please update these fields manually to accurately capture your banking information.

Then click **Next** to proceed.

Banking Information

* Remit Address:	<input type="text" value="All items checked"/>
* Bank Country:	<input type="text" value="Singapore"/>
* Payment Currency:	<input type="text" value="Singapore Dollar"/>
* Bank Swift Code:	<input type="text"/>
* Clearing Code:	<input type="text"/>
Branch Code:	<input type="text"/>
* Account Number:	<input type="text"/>
* Account Holder:	<input type="text"/>
Bank Name:	<input type="text"/>
Bank Address 1:	<input type="text"/>
Bank Address 2:	<input type="text"/>

12

If you have any additional supporting documentation, such as invoices, banking details, certificate of insurance, W-8 (if required) etc. please upload and attach in the 'Documents' section. Once all documents, if any, are uploaded, click **Next** to proceed.

13

On the next screen, click **Submit**. Once you submit, you will receive an email stating your registration is complete.

The information you submitted will now be reviewed. If any further information is needed, you will receive an email requesting additional information.

Once your profile has been reviewed and approved, you will be registered and credentialed in the system. You will receive an email with your vendor ID number once all steps are completed, and you can begin submitting invoices.

Chick-fil-A - Apex Supplier Portal Registration Complete

○ CFASuppliers@portal.chick-fil-a.com <CFASuppliers@portal.chick-fil-a.com>

To: ○ FIRST.LAST@GMAIL.COM; Cc:

Dear FIRST LAST,

Thank you for taking the time to respond to our notification, and to access and update your profile online. This is to confirm that your registration has been successful.

You will receive another e-mail shortly with your vendor ID number.

If you need technical assistance, please contact us at CFASuppliers@portal.chick-fil-a.com.
Best Regards,

Chick-fil-A Supplier Maintenance Team

14

If additional information is needed, you will receive an email from the System Administrator team titled '**Chick-fil-A - Requesting Additional Information**'. Please login to the Chick-fil-A Supplier Management Portal and provide the requested information, as noted in the comment added by the System Administrator on the email.

Examples of additional information needed could relate to:

- Address details
- Email domain
- Tax information
- Banking details

Once the relevant updates are made, click **Submit** to send your changes back for review.

15

If you experience any issues and need assistance with the portal, please email cfasuppliers@portal.chick-fil-a.com. Common examples are listed below:

- Forgot password
- Locked out of account
- Received error messages for a specific data field

Please email the address noted above, and we will be happy to assist.
